

FOR IMMEDIATE RELEASE:

December 7, 2020

4,101 COVID-19 CASES AND 90 DEATHS IN ALLEGANY COUNTY

CUMBERLAND, MD – The Allegheny County Health Department reports that Allegheny County’s cumulative COVID-19 case count is now at 4,101, with 90 deaths. The current case rate in Allegheny County is 198.41 cases per 100,000 population, well above the state of Maryland case rate of 43.9 cases per 100,000 population. Allegheny’s positivity rate is now at 18.12%, while the statewide average is 7.89%.

Health officials continue to urge the public to continue to avoid gatherings, practice social distancing and frequent handwashing, wear a face covering when around others who are not members of your household, and follow all requirements for isolation and quarantine. If you receive a call from “MD COVID” or the phone number 240-466-4488, please pick up. This is a member of the Maryland contact tracing team trying to get ahold of you.
